Maria Cordoba Erazo Receives Outstanding Student Poster Award at IMAPS 2013

TAMPA, Fla. (March 28, 2014) Maria Cordoba Erazo, doctoral student in electrical engineering, has received one of two Outstanding Student Poster awards from the IMAPS 2013 conference held in Orlando in October. Her poster was titled "Non-contact microwave characterization of printed resistors."

-USF-

The University of South Florida is a high-impact, global research university dedicated to student success. USF is a Top 50 research university among both public and private institutions nationwide in total research expenditures, according to the National Science Foundation. Serving nearly 48,000 students, the USF System has an annual budget of \$1.5 billion and an annual economic impact of \$4.4 billion. USF is a member of the American Athletic Conference.

The College of Engineering at the University of South Florida is ranked at #72 among public institutions by U.S. News & World Report's 2015 engineering graduate school rankings. The college serves 4,600 students offering ABET-accredited undergraduate degrees in seven programs, as well as eleven master's and nine doctoral degrees. The College is actively engaged in local and global research activities with foci on sustainability, biomedical engineering, computing technology and transportation and for the fiscal year 2013-14 had \$30.5 million in research expenditures. There are 124 tenured / tenure track faculty and 80 instructors and research faculty.
