

## USF Racing's World Ranking

The members of the Society of Automotive Engineers at USF (USF Racing) strive each year to better themselves and their team. Their hard work and determination pay off as they climb the worldwide leaderboard. USF Racing jumped to 43rd place out of 503 international teams this summer, up from 76th place last year. This ranking puts USF Racing in the top 10% of all teams that compete in Formula SAE® and Formula Student. The team outperformed prestigious schools such as UC Berkeley and MIT.
