ENV 4001: ENVIRONMENTAL SYSTEMS ENGINEERING
Department of Civil & Environmental Engineering
University of South Florida

Global Citizens Assignment   Prof J A Cunningham
Stage 1   Fall 2021

Due date: Wednesday, September 1, at the *beginning* of class

1. Form a group of 3 or 4 students. (not two, not five – *three* or *four*)

2. All students should read the course syllabus thoroughly. The most recent version of the syllabus is available on Canvas. As you read it, make a list of any questions you have about the syllabus. After *all* group members have read the syllabus, have *one* group member send me an e-mail with any questions that arose. If you have no questions, then no e-mail is required.

3. In previous semesters, some student groups in ENV 4001 have been penalized for committing plagiarism on their final reports. When asked what happened, all groups claimed that they did not know their actions constituted plagiarism. To ensure that you and your group do not suffer a similar penalty this semester, go to USF's web page about avoiding plagiarism (https://guides.lib.usf.edu/c.php?g=451607&p=4980659). This page includes links to three short but helpful videos. Watch the three videos. You are also encouraged to look at any other videos and/or resources available through these links – often these pages provide links to other helpful sources. As you watch the videos and investigate other resources, make a list of any questions that arise. After *all* group members have done this, have *one* group member send me an e-mail with any questions that arose. If you have no questions, then no e-mail is required.

4. Have all members of your group print and sign their names in the appropriate spaces below. Sign your name on the line immediately below your printed name. *Your signature indicates that you have read the syllabus and that you have conducted the plagiarism tutorial*. Each group should turn in one copy of this form, with the names and signatures of all group members. If your group has four members, then all of the lines below should have a printed name or a digital signature; if your group has only three members, then two of the lines will be blank.
