

A Sad Story

Bad things happen to
good people, if you
consider me to be good

Dr. Kaw got a traffic ticket today

- Today, I was going on I-75 and got pulled over by a cop who was hiding under the bridge.
- The cop said, “Sir, you were driving recklessly. I saw you swerving back there.”
- I said, “Sorry, I did not do so intentionally. There was a large box in the middle of the lane, and I had to avoid it.”

My bad morning continues

- The cop said, “Wait here so I can see if you are telling me the truth.” He took my Drivers License and Car Registration and went back to investigate.
- The cop came back and said, “I am glad that I stopped you. There really was a box in the middle of the lane. I removed it and guess what I found – **thumb tacks**. That could have been dangerous.”

What a lucky break?

- I felt relieved to say, “So I can go now.”
- The cop said, “No, you cannot go. I still have to give you a ticket.”
- I was getting ticked off. I could have killed myself avoiding the box of thumb tacks, and was already late to get to today’s class.
- I asked, “Why do you have to give me a ticket?”

And he said

I have to give you a ticket for
